Tutorial

How to Access the Color Guide

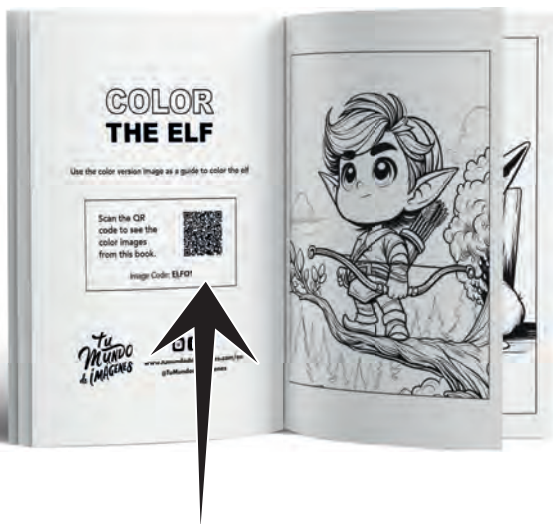

Step by step

1

Step 1

Go to the website by scanning the QR code below, or manually entering the following address:

www.tumundodeimagenes.com/en/color-guides-a-world-of-magical-adventures

Step 2

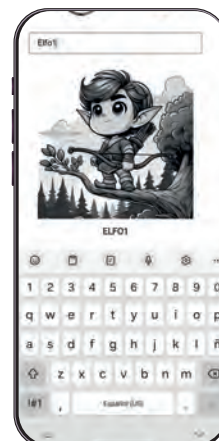

2

Find the image code in your book — it's located to the left of each image, on the page before the full-size drawing.

3

Step 3

Type the image code into the search bar, and it will automatically filter the results. That's it! You can now color using the full-color reference image.

COLOR THE ELF

BENITO

THE BEAR'S MAZE

Once upon a time, there was a bear named Benito who was left alone one afternoon without his parents.

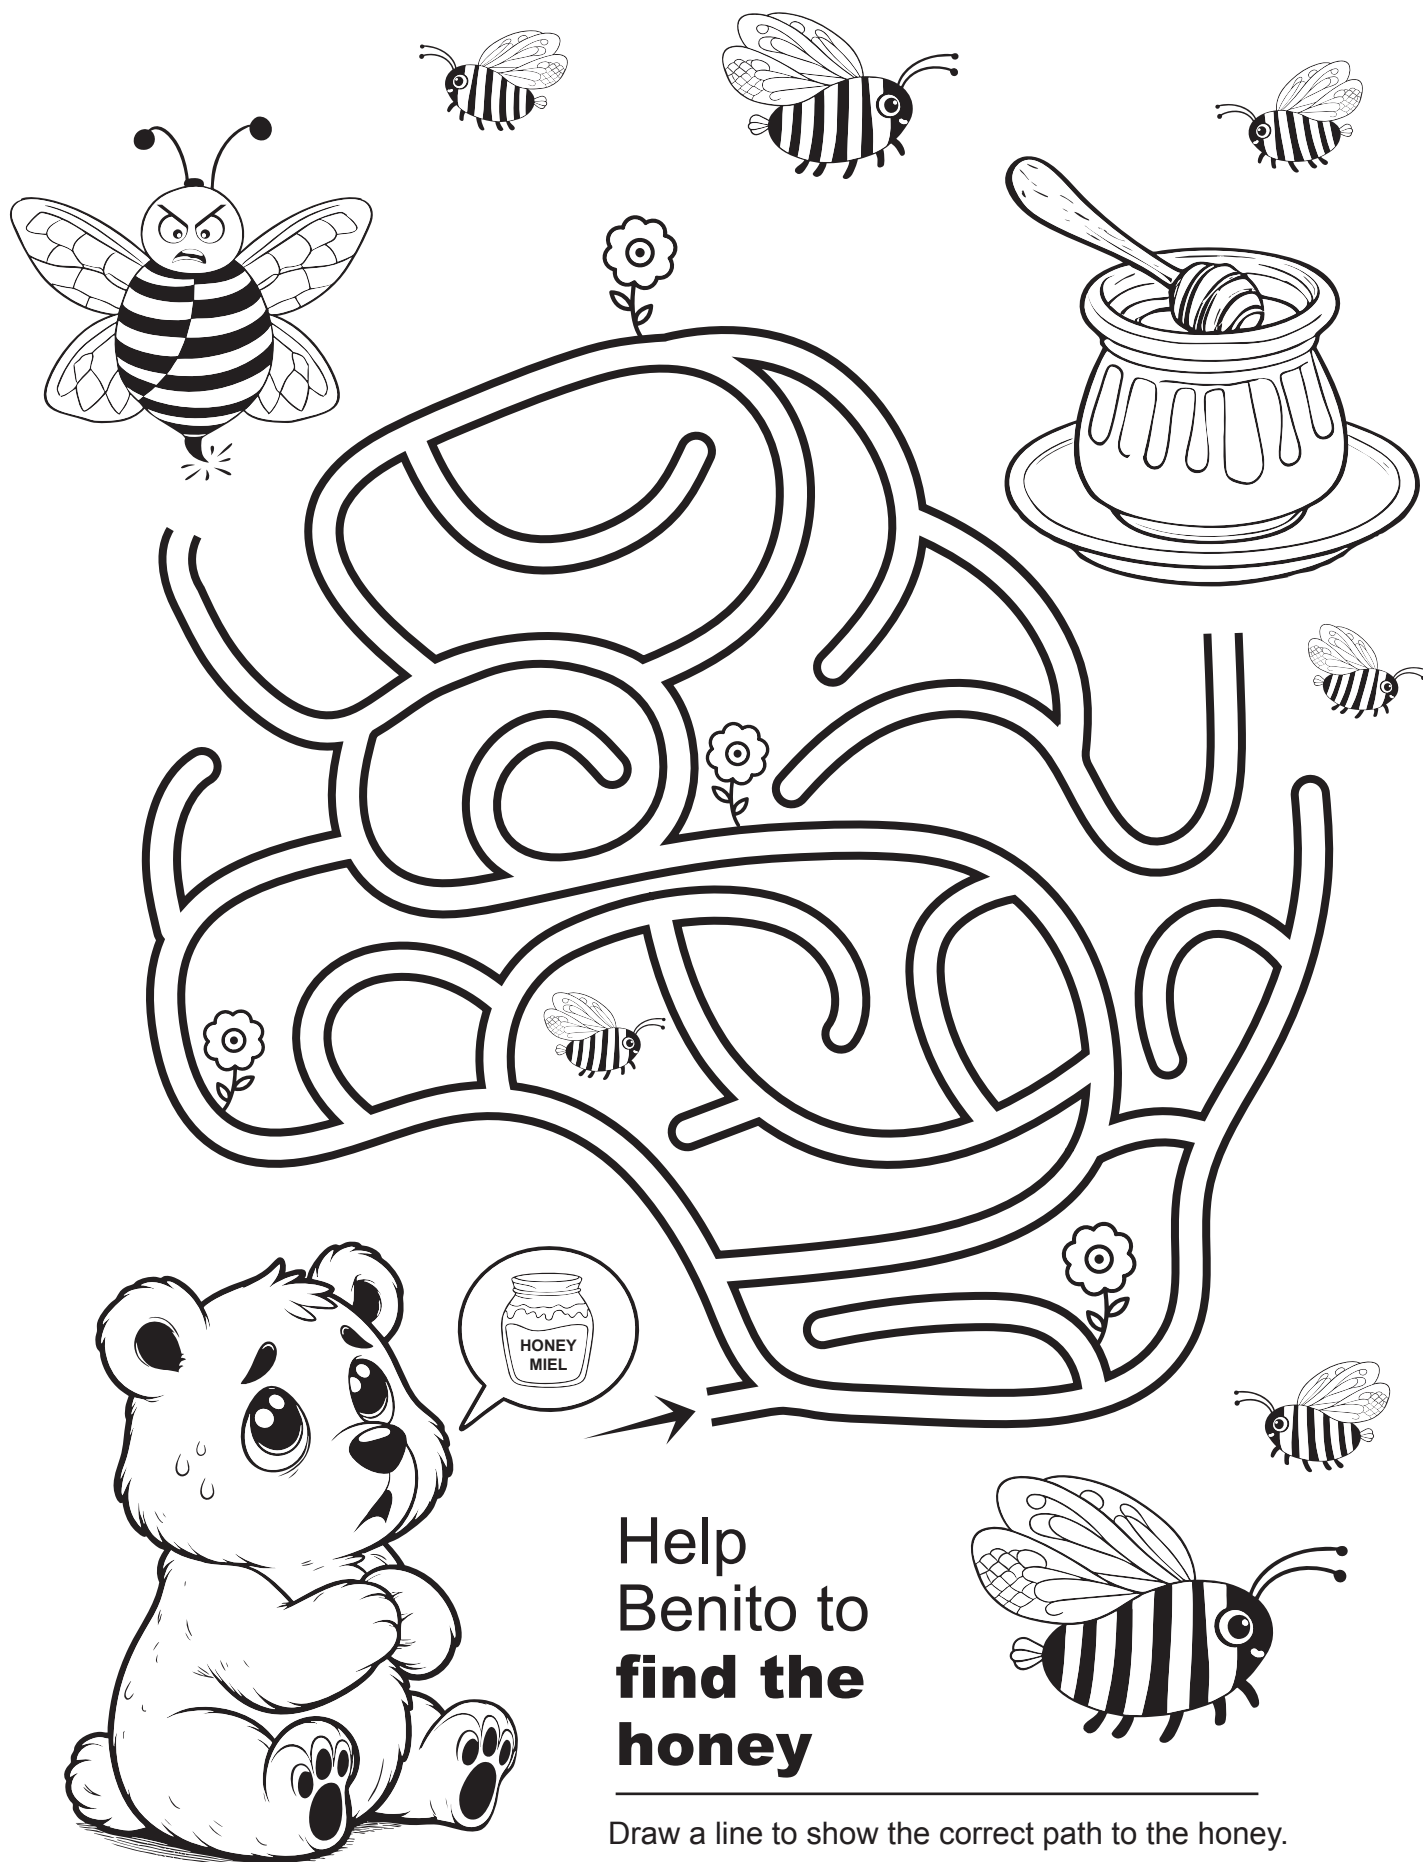

Benito was hungry and searching for his honey jar in a forest full of bees. With the help of his friends, he'll find the right path to his honey and enjoy a delicious feast.

When he finally finds it, Benito learns that honey tastes even better when you work hard to get it.

Write the bear's name:

Benito

Help
Benito to
**find the
honey**

Draw a line to show the correct path to the honey.

COLOR THE DRAGON

DRACO THE DRAGON

There was once a powerful dragon named Draco who longed to find his lost treasure. He bravely traveled across the kingdom, overcoming challenges and solving riddles. With the help of his magical powers, Draco found his treasure and became the guardian of the kingdom. Since then, the brave dragon has always protected its people with strength and wisdom.

Answer the questions:

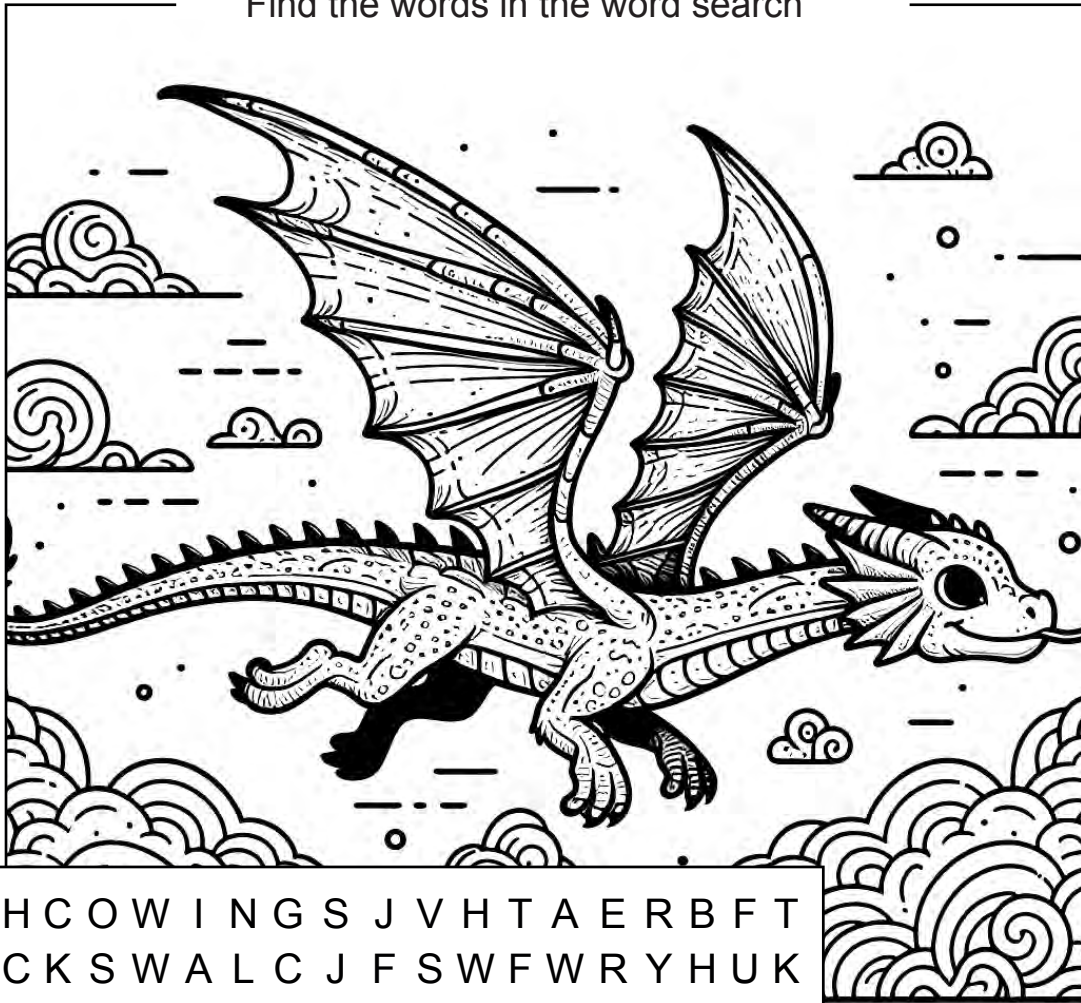

1) Who does Draco the dragon protect?

2) What did Draco the dragon long to find?

3) What did Draco the dragon become?
